# MEN'S RETREAT

## On Target

Someone who shoots and misses a target can offer up a lot of different excuses, but we all know the truth—you hit what you're aiming at. Becoming more like Christ is the target and should be the goal of our lives. If we miss the mark, it's because we're not aiming at the right thing. Join us for a weekend geared to help you insure that becoming like Christ is in the center of your crosshairs. Be encouraged that God is your rangemaster and is working to make you more like Himself each day.
