MEN'S RETREAT

Rest: it's not just for when you're dead

Surely you've heard it...“I'll sleep when I'm dead.” Maybe you've even said it. What is it that makes us think that there's no time for rest during our lifetime. We think that we're too busy, too pressured—or maybe we think we're too important—to stop, pause or even rest. It's no secret that life is busy. We fill our time with activities, people and lots of other good things. Just thinking about the things that make us tired makes us tired. But didn't Christ himself say, “I will give you rest.” How do we get that? How can we be so busy and still rest. What's the secret sauce? It is possible to rest in Him and in His Word while doing His work. Join us for a weekend away—learn from Him, fellowship with His people, and find rest.
