

## WOLF MOUNTAIN Youth Camp Cabin Assignments

Please fill out the cabin assignment sheets and email the completed pdf to your camp coordinator. Specific cabins in use will be distributed to you upon arrival.

### Guidelines

- Individuals staying in the same cabin must be the same gender, including the sponsor.
- We require 1 adult for every 7–9 children.
- Please consult with your coordinator if your group exceeds your contracted cabins. If more cabins are not available, each cabin may fill to the maximum to accommodate a group.
- Requests for private cabins beyond the contracted cabins may be provided for an additional cost, if available.

### Notes

Please use this space to record any additional information regarding housing.
