

WOLF MOUNTAIN

SPONSOR AGREEMENT

For Church, Youth Group, or School Sponsors

Wolf Mountain, in order to further its main purpose of reaching young people for Jesus Christ, enters into an agreement with (sponsor name) _____ for work and time spent at Wolf Mountain to help with the accomplishment of that purpose. In no way does this agreement denote employment for which any compensation is to be given or received. The work is 100% volunteer and any benefits one may receive are purely incidental to the performance of the job. None of the fringe benefits or discounts which our regular employees receive as part of their employment will apply to the sponsor.

The duties and services performed by the sponsor will include background services for the campers' benefit and also areas of service and supervision of campers wherever assigned to work, sleep, and/or eat. At services sponsors should be watchful and prepared for campers who need counseling in spiritual matters.

Your responsibilities as a sponsor can be divided into two general areas: supervision and example.

Supervision

Moreover it is required in stewards, that a man be found faithful. 1 Corinthians 4:2

Always know where your campers are. You are responsible for their supervision twenty-four hours a day. Be with them as often as possible, and enjoy being with them.

- Get in the habit of “counting heads” at each activity, meal, and service.
- Do your best to get your campers to activities on time.
- Use good judgment and maturity to stop any unauthorized activity that appears to be unsafe. Control any horseplay or dangerous activity—maturity knows when to stop!
- Keep in mind that there is never any reason to strike a camper.
- Inform the Wolf Mountain staff of any continuing problems.
- Let the Wolf Mountain staff know if you will not be available for any period to supervise your campers.

Example

Be thou an example of the believers. 1 Timothy 4:12

- Be consistent. Your teaching can be strengthened or nullified by your life.
- Be loyal to the Wolf Mountain leadership. We have a good reason for everything in the program. Your entire cabin will benefit from a good attitude. If there are any areas you don't understand, please ask!
- Be enthusiastic. It's contagious. Negative comments will ultimately result in fewer decisions made for the Lord.
- Be especially careful how you react under stress situations. Your campers are watching at all times. There is no excuse for the loss of one's temper, yelling, or screaming at campers.

The sponsor recognizes the pure volunteer nature of this relationship and the sponsor agrees to follow the principles of operation of the camp. The sponsor assures Wolf Mountain that they have read and understand the information on this document. Wolf Mountain or the sponsor may terminate this relationship of service at any time.

The sponsor assures Wolf Mountain that they have never been convicted of a felony, have never been accused of any form of child abuse, and gives permission to Wolf Mountain to secure background checks and references.

Participation, Release, and Medical Agreement

Waiver must be read, signed, and dated for each individual

While we make every effort to provide a safe and pleasant environment for every camper who attends Wolf Mountain, we do require that this participation agreement be read, filled out, signed, and dated by all campers (or their parent/guardian if under the age of 18) who wish to participate in activities at Wolf Mountain.

With full knowledge, I accept full responsibility for any injury or accident that may occur to myself or my child while participating in Wolf Mountain activities. I give permission for my child to participate in activities that occur at Wolf Mountain. These activities may include, but are not limited to, swimming in the pool, canoeing, high ropes course, archery, riflery, paintball, horseback riding, and strenuous competition games.

Although Wolf Mountain has taken reasonable steps to provide equipment and skilled employees so yourself, your spouse, or your child can participate in activities for which he/she may not be skilled in, we do remind you that these activities are not without risk. Certain risks cannot be eliminated due to our camp's rural setting and without destroying the unique character of those activities. The same elements that contribute to the character of these activities can be cause of loss or damage to your property, accidental injury or illness or, in extreme cases, permanent trauma or death. We do not want to frighten you or reduce your enthusiasm for these activities, but we do think it is important for you to be informed and know in advance about inherent risks.

For promotional or marketing purposes, Wolf Mountain reserves the right to use any audio, video, and/or photography of guests or campers participating at Wolf Mountain facilities.

I, on behalf of myself, my children, my assigns and my estate, agree to release and hold harmless Wolf Mountain, its officers, board, agents or employees, for any and all claims for injuries, causes of action, or liability related to my child's participation in any activity occurring at Wolf Mountain. This release does not apply to intentional and/or willful acts of misconduct by Wolf Mountain or any of its officers, board, agents or employees.

By signing this document, I acknowledge that if anyone is hurt or property damaged during my or my child's participation in these activities, I and/or my child may be found by a court of law to have waived any right to maintain a lawsuit against Wolf Mountain on the basis of any claim which has been released herein. I have had sufficient opportunity to read this entire document. I have read and understood it, and agree to be bound to its terms.
